Please make a home fire escape plan with the paper that is attached!

### SCIENCE

Students will use skeletons and fossils to infer what an animal looked like!

### Fire Safety Poster

This week we will going over fire safety rules, What to do in a fire?, and work on skits to demonstrate things that are important for young children to remember. After they write their skit we are going to share with the kindergarten and 1<sup>st</sup> grade classes. Please help your child fill out the escape plan for your family! This will be a grade!

CALDWELL FIRE DEPARTMENT WILL BE AT THE SCHOOL ON THURSDAY TO SHARE WITH THE ELEMENTARY STUDENTS!
